

KABA Simplex 3000 Series Narrow Style Lock

The 3000 Series lock provides fully mechanical pushbutton access control for narrow stile aluminum glass doors, with no electrical wiring, electronics, or batteries. Exterior access is by combination or key override. Egress is by Adams Rite hardware and is free at all times. \n\n3000 Series locks are ideal for limiting access to high traffic, security sensitive areas in commercial, institutional, government and industrial buildings. These locks are perfect for locations with a high personnel turnover rate such as data processing centers, employee entrances, R&D labs, apartments, dormitories and restricted areas in hospitals and airports.
