Acorn SMART Gate
FIXED TOP TRACK

NEW!

KEYPAD

ELECTROMAGNETIC LOCK

100% MADE IN AMERICA SINCE 1913

FEATURES

Acorn Wire + Iron Works is proud to introduce the Acorn SMART Gate. This innovative gate provides security to restricted areas while allowing safe emergency egress. The SMART Gate can be used on the interior or exterior of an institutional building as another layer of break-in defense. Smart access locking mechanism allows integration with existing security system.
Only available in single gates.
