FOLDING GUARD®

CUSTOM SOLUTIONS

The modular systems that Folding Guard® products are based on allow us to specialize our designs to fit your specific needs.

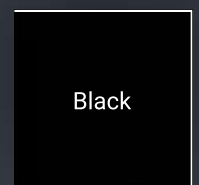

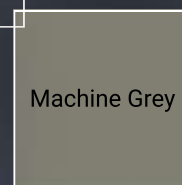

If you have a unique problem that you're not sure how to tackle, our industry experts are here to help you. By working closely together with you, our customer service and design experts will find and implement the most durable and cost-effective system for your space.

NATIONWIDE DEALER NETWORK

We have a nationwide dealer network ready to take care of all your safety, security and storage needs. All dealers in our network have extensive knowledge of our products and are able to coordinate your entire project from design to installation.

POWDER COATING

Our state-of-the-art powder coating system provides a more durable and economical finish than traditional paint. Our standard colors are shown below.

In addition to our standard colors, we can match any required RAL color.
