

INTRODUCING THE PATENTED
GRRRIPPER BRACKET

Saves on install time and money!

WHAT IT IS

The world's first and only drop-in bracket

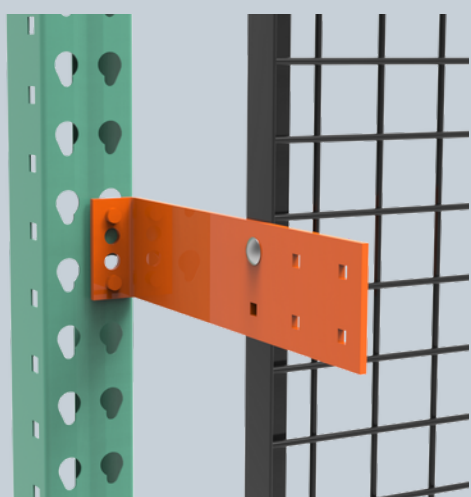

Compatible with teardrop slotted uprights, the most common style of pallet rack.

WHAT IT DOES

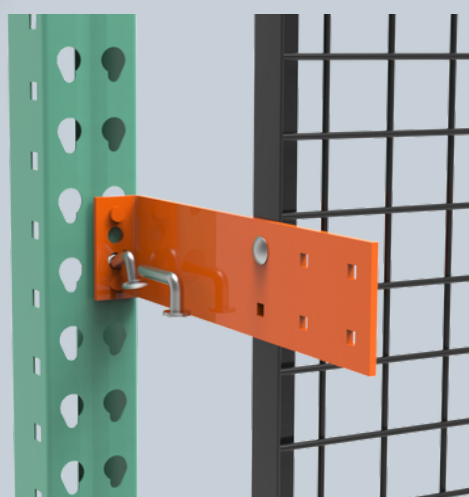

The Grrripper Bracket uses a proprietary drop pin that ensures the system will not disengage from the rack.

HOW TO INSTALL

1 Hook bracket into teardrop slots.

2 Drop pin in to secure bracket.

WHAT IS ITS SIGNIFICANCE

The Grrripper Bracket installs 80% faster than any other bracket on the market.
