

Custom Conveyor Crossovers

If your application calls for a custom conveyor crossover, Wildeck has the right solution for you. With more than 40-years of experience customizing material handling solutions, Wildeck's team of engineers are qualified to design a crossover ladder product that meets your specifications. Available in U, Z and Reverse Z configurations, Wildeck's custom crossover ladder products create safe and convenient working conditions for your personnel. All of Wildeck's custom conveyor crossover products are designed in compliance with OSHA and Cal-OSHA regulations.

Don't see what you need here? Put our engineering team to the test. Contact us at sales@wwcannon.com or 800-442-3061 to see what our solutions experts can create for you.

Custom Conveyor Crossover Specifications

- Available in U, Z or Reverse Z configurations
- 45° angle of climb with 9" rise, 9" run for an easy climb
- Four-piece construction for easy installation
- 1½" diameter tubular steel frame
- 24" wide deck and treads
- 4" toe boards on decks
- 28" overall width
- 9/16" hole anchoring
- Diamond plate or safety grating for slip resistance
- Handrail included
- Yellow enamel painted finish
- Meets OSHA and Cal-OSHA requirements

Custom Conveyor Crossover Options

- Bridge inserts for additional horizontal clearance
- Custom widths and vertical clearances
- Safety grating steps and decks
- Closed risers
- Center towers for multiple spans
- Custom entry and exist configurations
- Can be customized to meet vertical and horizontal specifications
- [Special paint colors](#)
- Hot dip galvanized finish

CU-31 Series

Model	Vertical Clearance	Horizontal Clearance	Deck Height	Overall Length	Stair Side Length	Ship Weight
CU-3120	31"	20"	36"	73"	54"	339 lbs.
CU-3130	31"	30"	36"	83"	54"	359 lbs.
CU-3139	31"	39"	36"	92"	54"	379 lbs.
CU-3149	31"	49"	36"	102"	54"	399 lbs.

CU-40 Series

Model	Vertical Clearance	Horizontal Clearance	Deck Height	Overall Length	Stair Side Length	Ship Weight
CU-4020	40"	20"	45"	73"	63"	376 lbs.
CU-4030	40"	30"	45"	83"	63"	396 lbs.
CU-4039	40"	39"	45"	92"	63"	416 lbs.
CU-4049	40"	49"	45"	102"	63"	436 lbs.

CU-49 Series

Model	Vertical Clearance	Horizontal Clearance	Deck Height	Overall Length	Stair Side Length	Ship Weight
CU-4920	49"	20"	54"	73"	72"	413 lbs.

Model	Vertical Clearance	Horizontal Clearance	Deck Height	Overall Length	Stair Side Length	Ship Weight
CU-4930	49"	30"	54"	83"	72"	433 lbs.
CU-4939	49"	39"	54"	92"	72"	453 lbs.
CU-4949	49"	49"	54"	102"	72"	473 lbs.

CU-58 Series

Model	Vertical Clearance	Horizontal Clearance	Deck Height	Overall Length	Stair Side Length	Ship Weight
CU-5820	58"	20"	63"	73"	81"	450 lbs.
CU-5830	58"	30"	63"	83"	81"	470 lbs.
CU-5839	58"	39"	63"	92"	81"	490 lbs.
CU-5849	58"	49"	63"	102"	81"	510 lbs.

CU-67 Series

Model	Vertical Clearance	Horizontal Clearance	Deck Height	Overall Length	Stair Side Length	Ship Weight
CU-6720	67"	20"	72"	73"	90"	487 lbs.
CU-6730	67"	30"	72"	83"	90"	507 lbs.
CU-6739	67"	39"	72"	92"	90"	527 lbs.

Model	Vertical Clearance	Horizontal Clearance	Deck Height	Overall Length	Stair Side Length	Ship Weight
CU-6749	67"	49"	72"	102"	90"	547 lbs.
