Fork Extensions

In-Stock

Get more bang for your fork truck buck! When you need a bit more power, fork extensions can make oversized loads manageable.

Product Features:

- Ideal for oversized loads
- Easy installation onto existing forks
- Fits standard fork thicknesses
- Standard fork extension widths 4" through 7"
- Standard fork extension lengths 42" through 96"

⚠ WARNING

- Extensions shall not exceed 1 1/2X the length of the existing forks.
- Extension capacities are reduced beyond existing fork tips (Approx. 60%).
- Do not tip-load the fork extensions.
- Load center of gravity must not extend past existing fork tips.
- Capacity of lift truck and attachment combination may be less than capacity shown on attachment. Consult lift truck manufacturer.
