Model HDTB

Heavy-Duty Tow Bar

Pulling a heavy load? Caldwell's custom designed tow bar is the solution you need. Our tow bar is a solid connection which provides added control over standard tow chains when moving heavy equipment weighing in at 10, 20, 30 tons or more! Just provide the desired length, capacity, and connection required and we will deliver the solution you need.

Product Features:

- Can be used to push or pull a load
- Designed to accommodate your specific connections
- Custom designed per application

For a price quote on your specific application, please contact The Caldwell Group at **800.628.4263** or you complete the form online at www.caldwellinc.com/applications.
