

Model FG

Steel Drum Grippers

Choose one- or two-drum unit for efficient drum transport on the job site or in the shop.

Product Features:

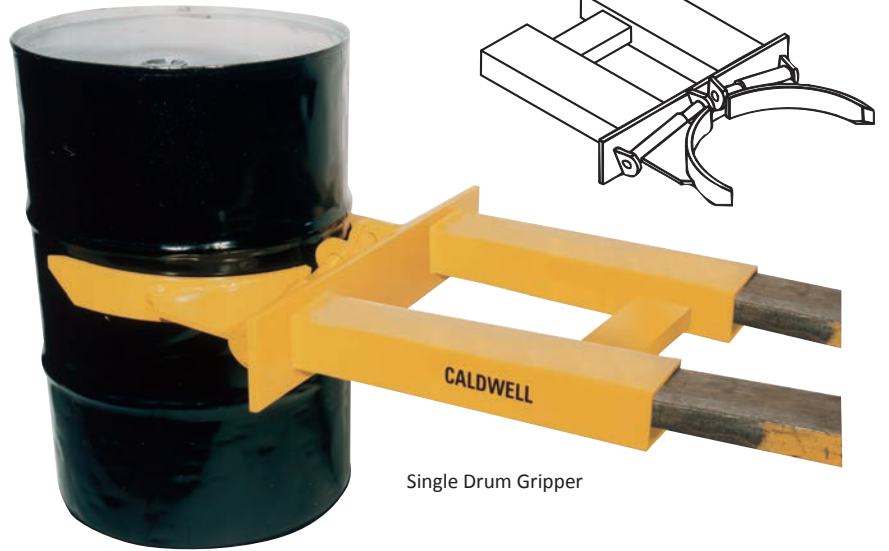

- High-quality, heavy-duty construction
- Restraining chain with grab hooks
- Handles 55- or 30-gal. drums
- Lift and release drums without leaving seat
- Attaches to lift truck quickly and easily
- Minimum maintenance required
- Drums will not slip once clamped
- Quick and easy drum release

 **WARNING**

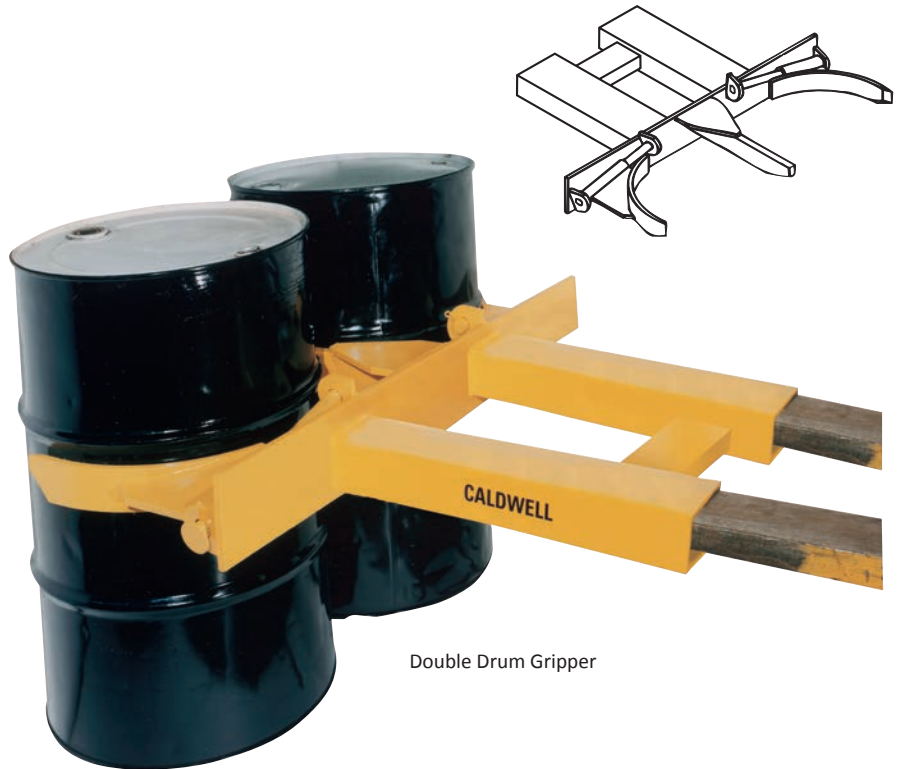

Capacity of lift truck and attachment combination may be less than capacity shown on attachment. Consult lift truck manufacturer.

Need Drum Handling Slings?
