

Model SPTR

Trailer Spotter

An inexpensive and fast way to move trailers with your fork lift truck. It quickly attaches to both forks for stable load movement with safety chain and grab hook for added security. Accepts standard 2" hitch inserts designed to handle 1-7/8" to 2-5/16" hitch ball for up to 6,000 pounds gross towing weight, and with the pintle adapter, up to 16,000 pounds gross towing weight.

Product Features:

- Easily move trailers with a fork lift truck
- Restraining chain with grab hooks standard
- Insert restraining pin standard
- Can be used with most 2" standard inserts
- Optional hitch insert or pintle adapter are available

WARNING

Capacity of lift truck and attachment combination may be less than capacity shown on attachment. Consult lift truck manufacturer.
